Home/Young Adult/Adventurers Wanted: The Axe of Sundering (Book 5) ISBN: 9781609079345 by: M.L. Forman Overview Whalen Vankin is the world's greatest wizard, and he has only ever personally trained two other wizards. One is Alexander Taylor, a young man who has earned a reputation as a brave adventurer, a warrior, and man of honor. The other is Jabez, Vankin's nephew—and a man whose choices have led him down a different, darker path. Dark magic has covered Westland, and evil is stirring. Whalen and Alex must journey together into the heart of danger, confronting a sea serpent, battling their way through a goblin army, and facing down more than one dragon. Alex must find the legendary Axe of Sundering—the one weapon that offers a chance to defeat Jabez—and protect the land from the dark wizard's plans. But finding it will be an adventure of its own as the only pathway to the Axe leads through the underground tunnels and secret passages of Castle Conmar. And Jabez has one final weapon at his disposal: the powerful Orion Stone, which could spell the end to Whalen and Alex both. Praise for the Adventurers Wanted series: "The beginning of an epic fantasy series."-Library Journal "Entertaining. . . The series potential is limitless."-Booklist "A fantastic journey. . . In this fifth book, we find Alex and Whalen about to set off on a quest to stop Whalen's evil great-great-great-etc-nephew. Together Alex and Whalen, the two greatest wizards in the land, must disguise themselves and travel to the land where Jabez, the evil nephew, is plotting to overthrow Westland. His death will be difficult, because he has tied his life force to any person he has ever helped, so Alex must find The Axe of Sundering, to cut through the ties and then end Jabez's life. Of course, the Axe is hidden and guarded by a dragon. The Brotherhood is also on the rise, and Alex and Whalen must watch their every move or the greater good might be in jeopardy.My Thoughts- So Good! I've been waiting for this book to come out. The author suffered an illness, and luckily got better. The Adventures Wanted world is FABULOUS! If you missed book one, Alex, then a sixteenish year-old, answered a sign in a shop window that said, Adventures Wanted. Think of all your favorite World of Warcraft or Dungeon and Dragon dreams come true. Plus, while he is gone in adventure land, barely any time passes in his home world.This time he is with his teacher, Whalen, and together they travel with a caravan around Westland, so that they can sneak up on Jabez. As a reader, you are able to watch as Alex's character becomes even more powerful and smart. He is also kind, which makes him a great wizard. He discovers a clue about a dragon with no name who will save the land. Hmm, a tasty tidbit he tries to unravel for most of the book. As he travels, he meets wondrous creatures, including Sea Elves and Dark Shadows. He uses his talents to deal with each accordingly. He continues to grow into his destiny with fabulous fight scenes and skill challenges.This story just flows, moving from beginning of quest, through trials, to a spectacular ending, and then bam! and extra ending you didn't see coming. I love this series. 5 stars! ...more recharge on all groundwater recharge recharge time aquifer recharge reduces recharge recharge only Edit Whalen Vankin appears in Alex's house and tells Alex that he has found his old apprentice Jabez. Jabez is in the Westland of Jarro, creating an army. Whalen and Alex split up and rendezvous in Jarro. They join a caravan traveling through Midland, keeping their magic disguised. Alex and Whalen learn that Jabez can't feel Alex's magic. They sail across the sea between Midland and Westland. They arrive in the port town of a kingdom opposed to Jabez. They meet sea elves, and Alex heals the king from the spell Jabez put upon him. The kingdom marches to war while Alex travels to the castle where Jabez is hidden. There, Alex recovers the Axe of Sundering and uses it to kill Jabez. Immediately thereafter, Alex and Whalen are sucked into an in-between dimension as prisoners of The Brotherhood. It is revealed that Gaylan, the leader of the Brotherhood, is going to use the Axe of Sundering to break The Wall between the living and the dead and allow his old master to return. The attempt is successful. Salinor appears and gives Alex the power to fix the problem, which Alex does. Alex is then named as Guardian of the Wall. He returns with Whalen to Jarro to help in the reconstruction of Westland. The series left several Unanswered Questions.
