CARFAX helps identify hidden problems with used cars imported from the United States, so you don't lose money. CARFAX has been collecting data from thousands of sources on U.S. vehicles for 30 years and has helped millions of used car buyers reduce the risk of sticking to a vehicle that has costly hidden problems. If you are interested in a used U.S. import, help protect yourself with the CARFAX Vehicle History Report at CARFAX Europe, the official CARFAX website only the legal source of CARFAX vehicle history reports. CARFAX is the most reliable source of vehicle history information about American cars. Carfax has helped millions of used car buyers make better purchasing decisions and avoid costly hidden problems for more than 30 years. In addition, CARFAX has helped used car dealers around the world build trust in their customers and confidently sell their American cars. With more than 14 billion records, CARFAX has built its database with the help of its own partners and resources, including government agencies, law enforcement, service and repair shops, car dealerships, insurance companies and more. CARFAX's vision is to make the used car market better. As an independent source that benefits both consumers and dealers, no American used car should be purchased without looking at its history with the help of the CARFAX vehicle history report. Mileage restoration is one of the most common forms of fraud in the sales process for used cars. However, there are ways to detect mileage fraud. Despite the fact that odometer fraud is difficult to detect in the untrained eye, this is not an impossible task. CARFAX has compiled an infographic and a list of tips to help used car buyers avoid mileage fraud. There are some advantages to buying an American used car. Depending on the model you are looking for, it is possible to save a lot of money on the purchase price. Besides, given the huge size of the U.S. market, there are several cars to choose from, and it's also possible to find makes and models that aren't available in your country. How important is the service history of a car? What are the consequences of purchasing a vehicle that has not been properly serviced? CARFAX examines these issues and explains the importance of the car's service history and where to find the full history of service records. I learned through CARFAX before I bought it, that my future car had 2 accident damage, including a total loss with an airbag and side airbag release. So, I miss a lot of troubles for 60 euros. Bernd Meyer had the brilliant idea to try to get a CARFAX report. He immediately paid for the internet, paid by credit card, and I got the report in 10 minutes. Alert! Problem found: total loss reported, save address / issued certificate. Vehicle imported from California to Lithuania. Peter Stoll CARFAX helped us not fall into adversity in 2017, and in 2018 CARFAX helped us become happy owners of our dreams. Babs is with us for a few weeks now and we are having a great time with the car. Without the CARFAX report, we'd be with a lawyer right now in a legal dispute. Contact your dealer for details. 5 5 5 5 4 (181 reviews) Very easy to buy, the whole thing happened by email and the papers were signed overnight through FedEx. Less than a week later, the car was in my driveway. It doesn't take longer than a traditional trader, but you don't have to sit there for hours while paperwork and funding takes place. The car came in immaculate condition, no paint, no scratches. The interior was perfectly detailed and cleaned. Good price, low mileage, clean history report. I've bought and paid off two cars from there and plan to go back and get another coming tax season! They're super friendly, they work with you, and they don't hunt you for payments, and when I went to pay my last salary, they gave up all my late fees, which a lot of people won't lie about. I recommend them to everyone I know to try to buy a car, but it sucks credit and people like me.
